ADVANCED BLENDING SOLUTIONS LLC

Tomorrow's challenges solved today.

GUARDIAN LOADER SERIES

The Guardian Loader series is designed for flexibility, durability, and convenience. The portable loader package makes it ideal for processors who have small to medium material throughput requirements. The loading system has been designed to eliminate the nuisance associated with brush type motors and makes material fines collection easy with the patented filter system.

FEATURES:

- EASY TO USE PLC CONTROLLER
- SINGLE STATION OR MULTI STATION VACUUM RECEIVERS
- LIGHTWEIGHT, PORTABLE VACUUM PUMP UNIT
- QUIET AND EFFICIENT OPERATION
- SINGLE OR MULTI-PORT VALVE
- SINGLE POINT FINES COLLECTION SYSTEM

**All rates are estimates, rates will vary based on material type.*
